### Computerized Guard Tour System

5 Mode Power LED Torch Lights

Double Silicone Block For Anti Slide

Charge/Connect By USB Pogo Pin Connector Data

#### FEATURES

- ✓ Rock solid, metal made device body
- ✓ Huge memory space, nothing going to stop your outdoor work
- ✓ Power LED torch lights : 5 mode – bright light, normal light, low light, strobe and SOS alarm
- ✓ Super strong lighting modes can be supported any tough environment at night
- ✓ Tracing any responsibility of sabotage
- ✓ Data safety : data can be stored for 30 years without power
- ✓ High speed download : up to 320 pcs per second
- ✓ Elegant gold colour design
- ✓ Double silicone block for anti slide
- ✓ LED pilot lamp & vibration indicator

#### SPECIFICATIONS

|                     |                                                   |
|---------------------|---------------------------------------------------|
| Storage Capacity    | 80,000 records                                    |
| Read Method         | RFID auto-induction (without pressing button)     |
| Card-Reading Tech.  | 125KHz EM RFID point                              |
| Working Prompt      | Vibration + LED                                   |
| Read Response       | < 0.2 s                                           |
| Read Distance       | ≤ 3 cm                                            |
| Lights Distance     | 50 meters                                         |
| Battery Type        | 3.7V 900mAh built-in rechargeable lithium battery |
| Charging Interface  | USB Pogo Pin connector data cable                 |
| Download Method     | USB Pogo Pin connector data cable                 |
| Working Temperature | -20°C to 70°C                                     |
| Working Humidity    | 0-95% RH                                          |
| Dimensions          | 40 (W) x 25 (H) x 130 (L) mm                      |
| Net Weight          | 170 g                                             |

#### SOFTWARE REPORT (EXAMPLE)

| No. | ID   | Check Point      | Location     | Date       | Time     | Remark |
|-----|------|------------------|--------------|------------|----------|--------|
| 1   | 0001 | Main Gate        | SecurityPost | 2025-06-01 | 08:15:32 | OK     |
| 2   | 0002 | Building A       | Lobby        | 2025-06-01 | 08:32:18 | OK     |
| 3   | 0003 | Warehouse        |              | 2025-06-01 | 08:49:05 | OK     |
| 4   | 0004 | Car Park         |              | 2025-06-01 | 09:05:21 | OK     |
| 5   | 0005 | Loading Bay      |              | 2025-06-01 | 09:22:14 | OK     |
| 6   | 0006 | Building B Lobby |              | 2025-06-01 | 09:38:50 | OK     |
| 7   | 0007 | Generator Room   |              | 2025-06-01 | 09:55:03 | OK     |
| 8   | 0008 | Office Floor 1   |              | 2025-06-01 | 10:12:46 | OK     |
